★★★★ SPORT & WELLNESS RESORT

It feels like vacation at home, JUST SO MUCH BETTER!

Dear BRETANIDE Guests,

It's the most beautiful time of the year for all of us to spend time with our family and friends. Spending holidays together brings unique experience, which we can take back home with us.

I invite you to enjoy this precious time with us at the BRETANIDE Sport & Wellness Resort. The place is convenient for families and individuals in search of either rest and relaxation, or for those who prefer activities and sports. Let you and your family be charmed by the most beautiful beach of the Croatian coast, the irresistible Dalmatian hospitality and be satisfied by the Croatian holiday paradise.

Whether you decide to take part in our extensive and accessible sports & animation program, or you like to explore the surrounding area by going on a boat trip to the neighbouring Island of Hvar, or you choose to visit our Wellness Centre, your well-being is our highest priority and is our most important goal. The magical "Golden Cape" beach, which fully lives up to its name, is situated just in front of our hotel. And a stroll away alongside the beautiful promenade there is the dreamy village of Bol.

We'd like to make you feel as if you were at home, but in a paradise surrounded by the big blue sea.

Your
“all-inclusive”
holidays

The Hotel

WITH A MARVELLOUS SCENERY.

Brač, the Island of sun, olives, vine, stones and the sea.

„Brač, the name smells of basil and rosemary. In the morning and in the evening, the sun throws its rays over the pine and olive crowns. The sea is in everlasting conversation with the stony shores and the white beaches...”

Jure Kastelan, 1967 (Croatian poet)

Spend your holidays relaxed and active at the same time on one of the most beautiful Islands of the Croatian Adriatic. A blue and crystal-clear sea, embracing splendid pebble beaches and rich pine forests, extending to the shores, giving pleasant cool shadow in the hottest days, are some of the attributes shaping your dream holiday scenery.

Only a walking distance from Bol, embedded in the rich greenery and directly at the promenade leading to the famous beach Zlatni Rat, the BRETANIDE Sport & Wellness Resort is located.

The impressive resort, sporting Dalmatian architecture, offers 185 comfortable Standard rooms***, is spread through several pavilions, including numerous family units, as well as 75 Superior rooms**** and 27 Suites****.
